Animal Control

We have been receiving a number of complaints at City Hall about animals. For those of you who have pets, have you checked to make sure they are securely enclosed or restrained to your property? Sometimes winter can loosen things up and guaranteed, your pet will find the weakest link.

Please be courteous to your neighbor and control your pet at all times.

You can find the Code of Ordinance for Urbana on the web site www.UrbanaIowa.com. Animal Protection and Control is Chapter 55

"We are pleased to partner with The Benton County Survivors and Virginia Gay Hospital each year to hold this special event. It's a wonderful way to recognize those diagnosed with breast cancer and survived, honor those who have lost the battle, and support and encourage everyone to keep up with vital health check-ups and routine screenings. As we celebrate ten years of Party in Pink, we are grateful for our business sponsors continued and generous support and the community that shows us just how much hope runs pinks by attending the race each year! We'd love to see a record number of participants on the routes this year," Robin Martin, Virginia Gay Hospital Foundation Director, explains.

"This is such a special event. It is organized and supported by local groups and organizations, and all the funds raised go straight to those in need with nothing going to administrative or operational costs."

Questions regarding the Party in Pink 5K event or contributions to the Gifts of Hope fund should be directed to Robin Martin by phone at 319-472-6375 or by email at rmartin@vghinc.com.
